WHO ARE WE?

Salim Habib University (SHU) is a not-for-profit institution of higher learning committed to providing quality university education to the Pakistani youth, no matter what their financial constraints.

Established through a charter granted by the Provincial Assembly, Sindh, in 2015, Salim Habib University is supported by The Salim Habib Education Foundation (TSHEF), a not-for-profit organization that focuses on providing the people of Pakistan with safe and easy access to international-standard educational and healthcare facilities. At present, TSHEF's large-scale projects in Pakistan include the Salim Habib Education Complex, Toba Tek Singh, Salim Habib University, Karachi, and its upcoming Fatima Business School.

Salim Habib University, founded by the dynamic Dr. Muhammad Salim Habib (Founding Member SHU & TSHEF), and the charismatic Dr. Iram Afaq (Chief Executive Officer and Founding Member, TSHEF, Chairperson, Barrett Hodgson Pakistan, and Chancellor, SHU), is located at Korangi Creek, Karachi, and spans over six acres of lush landscaping. It boasts ultra-modern infrastructure featuring a five-story academic block with thirty-three state-of-the-art labs, a uniquely-built four-floor library, and world-class sports facilities.

The University focuses on ensuring that its graduates emerge as well-rounded, competent individuals who harbor the passion to engage in continual learning and have the ability to lead future generations to prosperity.

In this issue, we introduce you to...

PROF. DR. SYED IRFAN HYDER, VICE CHANCELLOR

Dr. Irfan Hyder's impressive credentials include an MS and PhD from the University of Texas, Austin, USA, as well as a BE from NED University of Engineering and Technology, Karachi, and an MBA from the Institute of Business Administration (IBA), Karachi.

With a wealth of academic experience and a strong background in Information Technology, he has held key roles including IT Consultant at Oxford University Press, Director at Software Solutions (Pvt.) Ltd., Deputy Director of Computer Studies at IBA, Vice President & Dean at PAF-KIET, and Rector at the Institute of Business Management (IoBM). He has also served as Vice Chancellor of Ziauddin University.

RESEARCH EXCELLENCE

Salim Habib University strives to foster and cultivate a culture of research and innovation, and our faculty works tirelessly to engage in cutting-edge research across various disciplines. Our commitment to research is evident through state-of-the-art research facilities, dedicated mentorship, and ample opportunities for training and collaborative projects. In recent months:

- The research article authored by our esteemed Computer Science faculty members Lecturer Sidra Nasir, Dean Faculty of Information Technology Prof. Dr. Rizwan Ahmed Khan, and Assistant Professor Dr. Samita Bai, was successfully accepted for publication in the HEC-HJRS categorized W-Gold journal IEEE Access. The article, titled *Ethical Framework for Harnessing the Power of AI in Healthcare and Beyond*, contains an AI framework crafted to accentuate values of transparency, equity, answerability, and a human-centric orientation, along with an in-depth and thorough discussion of the limitations inherent to AI systems.

- Dr. Marriam Yamin, Assistant Professor, Department of Biosciences, Salim Habib University, was invited to participate as a Keynote Speaker and Scientific Session Chair at the 2nd International Conference on Green and Sustainable Environment (ICGSE-2024), held at the Sindh Madressatul Islam University from February 28-29, 2024. Dr. Yamin presented her published article titled *High Hydrostatic Pressure Synergism with Physical and Chemical Factors for the Inactivation of Superbugs*, and also shared the research work she has conducted at Salim Habib University on nanotechnology.

- Dr. Affhan Shoib, Assistant Professor, Department of Biosciences, Salim Habib University, was a Keynote Speaker at the International Symposium on Medicinal Plants and Natural Products, held at the University of Agriculture, Faisalabad, Community College, PARS, from March 7 to 8, 2024. He presented his paper titled *Probiotics play a protective role against the disturbance of the intestinal microbial balance and subsequent aero-gastric infections caused by S. aureus and P. aeruginosa*.

- Assistant Professors of Pharmacy Dr. Ghazala Ishrat and Dr. Farhana Tasleem, and Lecturers Mr. Ali Asgher Shuja, Ms. Farah Ahmed, and Ms. Uroosa Kanwal were also invited as Keynote Speakers at the International Symposium on Medicinal Plants and Natural Products.

- Dr. Afira Waqar, Assistant Professor, Department of Biosciences, Salim Habib University, participated in a training program held at the European Molecular Biology Laboratory, European Bioinformatics Institute (EMBL-EBI), Wellcome Genome Campus, Hinxton, South Cambridgeshire, England, from February 19-23, 2024. Dr. Waqar also presented a poster displaying her research work. The prestigious program had a total of 28 participants from Europe, Africa, America, and Asia, and 14 were trainers who conducted hands-on training sessions as part of the course.
